HORTICULTURE, COOKERY AND CRAFT SECTIONS

£50 VOUCHER PRIZE FOR EACH CLASS WINNER

This section of the show is intended to be inclusive. Competitions aren't just for the 'experts' but for everyone who grows their own vegetables, makes their own preserves or does anything listed above. No one should be inhibited from entering because they (wrongly) think something as prestigious as the Wayland Show is way over their head. It is often the person who pops down the garden on the morning of the show who wins the prize. So come on, give it a go! We are thrilled that this year's Horticulture, Cookery and Craft section is sponsored by Myhills. They will also be in our marquee at the show.

These classes are hosted by members and friends of the Great Hockham Gardening Club.

We regret that no late entries can be accepted. The Judges' Decision is final.
