

Welcome from the Wayland Show Committee

Once again we have great pleasure in welcoming you to the 2025 Wayland Show. Thank you for attending the show today and supporting this traditional rural event dating back to 1460. The show would not be staged without the hard working Committee of volunteers and the tremendous support received from our generous sponsors. The traders and exhibitors continue to provide their exhibits and local crafts. Without their valuable support it would be difficult to stage the Wayland Show today.

Main Ring Programme

- 10.00 Brass Band to start the show
